

## Twig and Leaf Workshop

**You will need** leaves, twigs and flowers gathered from your garden or local park  
a wire coat hanger  
scissors  
thin wire or string

- Step 1** Add wire to the inside of the coat hanger to create a centre circle.
- Step 2** Start adding your found natural materials to the coat hanger using the thin wire or string.
- Step 3** Add a centre piece, but make sure it's not too heavy.
- Step 4** Keep adding to the sides of the coat hanger.
- Step 5** When you have covered the outside of the coat hanger you have finished your work to hang inside or outside!

Take a photo of your nature sculpture and share it on facebook or instagram using the hashtag **#heideathome** or send it to us at **programs@heide.com.au**.
